

MiClub Product Version 36 Release Notes: April 2012

Addition and changes to members View:

Calendar event and booking reminders option

The screenshot shows a list of events in a members view. Each event row includes the date, status (RESULTS or OPEN), category, and time. A callout box points to the calendar icon in the event row, stating: "Add fixture details to your Outlook calendar or Mac iCal by clicking on the icon. You will be prompted to save the event file. It will then appear in your calendar."

Below the event list, a member's name "Simmons, Gary" is shown with a set of icons: a plus sign, a minus sign, a calendar icon, and a document icon. A callout box points to the calendar icon, stating: "Add your booking details to your Outlook calendar or Mac iCal by clicking on the icon. You will be prompted to save the event file. It will then appear in your calendar."

New Online Leaderboard displays in members area.
